sealing certificate serial number of each seal with their specimen signature and this will be mentioned in inspection report.

(iv) Meter manufacturer will be fully responsible for payment of all expenditure involved in delivery of the sealed and packed meter samples to CPRI lab by Inspection team, bringing back and all kind of testing charges.

(v) CPRI lab will test all the Acceptance Test on sample meters as per IS 13779:19999(With all latest amendments) in which following process is mentioned-

H-1 LOT

H- 1.1 In any consignment, all the meters of the same type and rating manufactured by the same factory during the same period shall be grouped together to constitute a lot.

H- 1.2 Sample shall be tested from each lot for ascertaining the conformity of the meters to the requirements of specified acceptance test.

H-2 SCALE OF SAMPLING

H- 2.1 The number of meters to be selected from the lot depends upon the size of the lot and shall be in accordance with Table 26.

Table 26 Sampling Plan					
Lot Size	N 1 1	N 2 2	(N ₁ +N ₂)	C ₁	C ₂
1	2	3	4	5	6
Up to 300	8	-	8	0	-
301 to 500	13	13	26	0	2
501 to 1000	20	20	40	0	3
1001 and above	32	32	64	1	4
1) Size of the first sample.					
2) Size of the second sample.					

supplied, maximum within 45 days of such failure reports, at the cost of the supplier. Meters supplied against replacement shall again be got tested at CPRI on supplier cost.

Testing of the subsequent lot of meters may be got done at departmental cost if first lot testing is found in order.

Purchaser shall send any randomly selected sample (S) from the each lot of total ordered material for any/all Routine/Acceptance/Type Tests as per technical specification/ ISS in govt. Lab. The results of such test shall be final and binding the both the purchaser and supplier. The Cost of such tests (S) shall initially be borne by the purchaser and in case the materials is found not conforming to desired specifications, the above cost shall be recovered from the supplier in addition to this following penal actin shall also be taken by the purchaser.

(i) The order for the remaining supplies if any, against the said contract shall be cancelled.
The supplier will be debarred/blacklisted from participating in Tenders for at least 3 Years form the date of test result into failure of supplied materials.
