

PRE QUALIFYING REQUIREMENTS

These pre-qualifying requirements (PQR) shall prevail over the pre-qualifying conditions mentioned in “Instructions to Tenderers” or anywhere in the tender documents.

PRE-QUALIFYING REQUIREMENTS FOR REGULAR SUPPLIER.

1. **GST REGISTRATION:-** The bidder should be GST registered firm. In this regard GST registration certificate shall have to be submitted by the firm.
2. **Manufacturer :-**
The firm shall themselves be manufacturer of Medium Voltage AL 59 ACS Covered Conductor.
3. **Turn Over :**
The Bidder should have a minimum average annual turnover (MAAT) of **Rs. 3.02 Crore** for best three financial years out of last five financial years. The audited balance sheet and CA's certificate with UDIN number shall be enclosed in support of above, failing which the bid shall not be considered.
4. **Operational Experiences:**
 - (i) The firm must have supplied the Medium Voltage AL 59 ACS Covered Conductor to government/government undertaking/ power utilities directly or through EPC contractor and should have given within three year proven trouble free operational service in tropical climate prevailing in India.
 - (ii) Any false information in the tender bid, if comes to the purchaser's notice in due course of time may lead to not only the cancellation of purchase order, if placed by on the tenderer, but also imposition of financial penalty and business debarment.
5. **Manufacturing experience:** The indigenous manufacturer must have manufactured at least 50% of the tendered quantity of Medium Voltage AL 59 ACS Covered Conductor during last five calendar years. The manufacturing experience of only last five Calendars Years (Year 2020, Year 2021, Year 2022, Year 2023 & Year 2024 or on the date of opening of the tender) shall be considered for eligibility of tender. The firm shall have to submit the details of manufacturing of Medium Voltage AL 59 ACS Covered Conductor during last five Calendars Years in following pro forma: -

Table- PE

Year	Complete postal address including designation of authority placing order	Order no. & date (for all ratings)	Medium Voltage AL 59 ACS Covered Conductor and above size of Conductor	Quantity Ordered (kms)	quantity supplied during the year (kms)	Balance quantity to be supplied against orders in hands (Kms)
1	2	3	4	5	6	7
Calendar Year 2020						
Calendar Year 2021						
Calendar Year 2022						
Calendar Year 2023						
Calendar Year 2024						

The tenderer shall have to submit self-attested copies of purchase orders & dispatch instructions to substantiate the above details failing which their bid shall not be considered. If tenderer does not submit the pro forma & only encloses the copies of purchase orders & dispatch instructions, then their bid may not be considered.

6. **Minimum Quantity:-** 100% quantity of the tender quantity.
7. **Testing Facilities:**
The tenderer must have all necessary facilities at their works for carrying out such routine and acceptance tests as prescribed in the relevant ISS and any other routine and acceptance test as specified in the specification. Documentary evidence of existence of such facilities will be filed along with the tender.
8. **Type Test:**
The firm should have valid type test reports of the offered material as per GTP/Technical specification during the last 5 year period from CPRI/ERDA/NTH. An undertaking for required type test shall not be acceptable.

PRE-QUALIFYING REQUIREMENTS FOR TRIAL SUPPLIER.

Purchaser at his discretion may consider awarding **trial order** of small quantity to those bidders who have proven design and meet the following requirement.

1. **GST REGISTRATION:-** The bidder should be GST registered firm. In this regard GST registration certificate shall have to be submitted by the firm.
2. **Manufacturer :-**
The firm shall themselves be manufacturer of Medium Voltage AL 59 ACS Covered Conductor.
3. **Turnover:-**
Turn over for trial supplier is not required.
4. **Operational Experience:-**
Turn over for trial supplier is not required.
5. **Manufacturing experience:**
Manufacturing Experience for trial supplier is not required.
6. **Minimum Quantity:-** 100% quantity of the tender quantity.
7. **Testing Facilities:-**
The tenderer must have all necessary facilities at their works for carrying out such routine and acceptance tests as prescribed in the relevant ISS and any other routine and acceptance test as specified in the specification. Documentary evidence of existence of such facilities will be filed along with the tender.
8. **Type Test:-**
The firm should have valid type test reports of the offered material as per GTP/Technical specification during the last 5 year period from CPRI/ERDA/NTH. An undertaking for required type test shall not be acceptable.
9. **Factory Inspection:-** Factory inspection shall be carried out by representative of S.E (MM-1) PVVNL, Meerut to ensure the capability of manufacturing of conductor.

All statements and claims regarding turnover, operational and manufacturing experience should be duly supported by authenticated copies of documents without which the tender is liable to be rejected summarily. PVVNL may call the tenderer to produce original purchase order/dispatch instruction or any other document for verification of submitted documents during the evaluation of their bid. The bidder is also required to submit an affidavit on stamp paper regarding the firm not being blacklisted by any government utility anywhere in India. If any information provided by the bidder is found to be concealed, suppressed or incorrect at the later date, may lead to not only the cancellation of purchase order, if placed by on the tenderer, along with imposition of financial penalty and business debarment.

Note: - PVVNL reserves the right to waive minor deviation if they do not materially affect the capability of the applicant to perform the contract.
